FACIALS - GREEN PEEL® THE POWER OF NATURAL BEAUTY

A biological method for skin renewal that has been successful for over 50 years. The herbal peeling is a recognized, natural problem-solver for various skin problems to get a clean and even skin. The basis is a mixture of eight selected herbs containing enzymes, minerals and vitamins, which are massaged into the skin.

GREEN PEEL® Classic Package

Regeneration and renewal with peeling effect

The Herbal Peeling mixture is massaged into the skin which increases the blood circulation and the skin renewal is stimulated. This effect is stopped after two to five days. During this time, the skin needs to be treated at home with special products. A beauty finishing treatment is done after five days that nourishes the now particularly receptive skin with valuable ingredients.

2 treatments each 50 minutes + Home Care product set € 295

GREEN PEEL® Energy

The vitality and regeneration kick with light peeling effect

This treatment with natural herbs noticeably provides energy your skin needs to renew the cells. It stimulates blood circulation and metabolism and thus leads to a natural improvement of the skin texture. It helps to reduce age-related skin appearances as well as impurities, scarring and pigment disorders. It works ideally as repeated, intensive salon treatment several times a year.

80 minutes + exclusive ampoule set € 170

GREEN PEEL® Fresh-Up

The freshness kick without peeling effect.

The skin is stimulated and refreshed with natural herbs. Blood circulation is stimulated, pores open and the skin is now able to optimally absorb the ingredients of the subsequent skin care.
